

Dearest Purple Parents /Guardians and Students,

The end of the year is fast approaching and we would like to celebrate with an academic, fun-filled field trip! We will be traveling to the **Olivier Soapery** in St Anne de Kent, and then on to the **Magnetic Hill Zoo** in Moncton on **Monday, June 11th**. Both of these visits will correspond with our "Diversity of Life" unit for grade 6 natural sciences. We will leave at 8:30am from the school and arrive home to Harkins at **4pm**. Students will need to **be picked up from the school** on that day.

We thank you very much for your participation in our fundraiser earlier this year. With this money, we will be able to pay the busing cost for this trip. That being said, there will be **an obligatory fee of \$5** for each student to enter the zoo. This is payable to Ms. Richardson or Ms. Barrieau by Wednesday, June 6th. At Olivier, students will see how natural soap is made and they will also have the opportunity to purchase various items which are made in the soapery. Olivier will offer our students an exclusive deal where they can buy a small sampling bag of soap for \$5. Students will also need money for lunch as we will stop at MacDonald's on Mountain Road. They may also bring a bagged lunch if preferred. As well, there is a gift shop at the zoo.

Please do not feel obligated to send money for all of the extras. We just wanted to let you know in advance that these options will present themselves throughout the fun day we have planned.

So, to summarize:

Purple Team Field Trip
Date: Monday, June 11th, 2012
Place: Olivier Soapery, St Anne de Kent; Magnetic Hill Zoo, Moncton
