

Congratulations _____!

You are moving on to the District 16 Science Fair! We are very proud of your exemplary work and we know you will represent Harkins Middle School very well at the fair.

North and South Esk Regional will host the District 16 Science Fair for grades 6-12 on the **morning of Thursday, March 29th**. Please see the schedule on the back of this sheet.

Students are asked to please check with their science teacher to ensure that their project's **registration form** has been submitted to Mr. Judson Waye.

Students will need to arrange their own **drives to and from the fair**. Here are directions:

There is also more information about the Science Fair available here:
